### Explanation of Reports:

- 1. NY44 Health Benefits Plan Trust Financial Report (Balance Sheet): This report is a current snapshot of the financials-the assets and liabilities. Included on the report there is the prior fiscal year ending June 30, 2020. The auditors' adjustments at year end are also reflected in the June 30<sup>th</sup> figures. The Liability section includes the Estimated Claims Payable or also known as the IBNR (Incurred But Not Recorded). The Equity Position is the difference between the assets and liabilities. As such, the equity position changes depending on the funding requirements during that month. The Independent Health funding occurs bi-weekly on Mondays and the MVP Healthcare funding is weekly on Wednesdays.
- NY44 Health Benefits Plan Trust Record of Rx Rebates and Retiree
   Drug Subsidy: Includes all Pharmacy Rebates and/or the Retiree Drug Subsidy
   (RDS) received during the current fiscal year.
- 3. Financial Activity for the NY44 Health Benefits Plan Trust (Dashboard Report): The report shows a quick look at of the entire financials of the Trust, also known as a Dashboard Report. The report includes the Administrative, Operational, and Dental accounts. Working from the top left the report shows the change in enrollment. The bottom left has the Revenue and Disbursements broken out by the same accounts the auditors use for the annual financial statements. The top right side begins with the investment account and includes all other checking and savings accounts.
- 4. **Statement of Cash Flow Contribution Revenue vs Medical and Pharmacy Expenses:** This is a summary of Claims vs Revenue. Medical claims paid on behalf of the NY44 by from the third-party administrators (IH/Nova and MVP) to the providers (doctors, hospitals, etc) plus Non-Medical claims paid which are the TPA administrative fees, consultant and service vendor payments, and appeal expenses. This report does not include the Administrative revenue or expenses for the Trust operations, nor does it include the Dental revenue or claims associated with it.
