- Your hours of employment are reduced
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies
- Your spouse’s hours of employment are reduced
- Your spouse’s employment ends for any reason other than his or her gross misconduct
- Your spouse becomes entitled to Medicare benefits
- You become divorced or legally separated from your spouse

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent/employee dies
- The parent/employee’s hours of employment are reduced
- The parent/employee’s employment ends for any reason other than gross misconduct
- The parent/employee becomes entitled to Medicare benefits
- The parents become divorced or legally separated
- The child loses eligibility as a dependent child

NY44 HEALTH PLAN

Notice of Special Enrollment Rights

If you decline enrollment for yourself or dependents (including your spouse or registered domestic partner) when you first become eligible for the NY44 Health Plan because you have other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or they subsequently lose eligibility for the other coverage (or if the employer stops contributing towards the other coverage). However, you must request enrollment in NY44 **within 30 days** after the other coverage terminates (or after the employer stops contributing towards the other coverage) in order to take advantage of this special enrollment opportunity. If you miss this special enrollment date, you will have to wait until the plan's next open enrollment period to obtain coverage under NY44.

If you acquire a new dependent as a result of marriage, assumption of a registered domestic partnership, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents in the NY44 Health Plan during a special enrollment period. However, you must request enrollment **within 30 days** after the marriage, assumption of a registered domestic partnership, birth, adoption, or placement for adoption, or you will be required to wait to enroll until the plan's next open enrollment period to obtain NY44 coverage.

Please note: Changes to the original Application Form must be made through the Enrollment System by the District's Benefit Clerk. To request special enrollment or obtain more information, contact _____ the Benefit Administrator at the school.

Women's Health and Cancer Rights Act Notice

If you have had a mastectomy, or expect to have one, you may be entitled to special rights under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the NY44 Health Plan. Therefore, your deductibles and coinsurance apply. See your summary of benefits for your deductible and coinsurance limits. If you would like more information on WHCRA benefits, call your plan administrator.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in New York State, contact your State Medicaid or CHIP office at 1-800-541-2831 or www.health.ny.gov/healthcare/medicaid, to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.
