What professionals may provide support with my Optum Home Delivery prescriptions?

Optum Home Delivery customer service team and pharmacists are available to provide support for you on your Optum Home Delivery journey.

Will I receive automated outreach from Optum Home Delivery when choosing to have my prescriptions delivered by mail?

Yes, you will receive automated outreach from Optum Home Delivery. The pharmacy will send refill reminders and order status updates via phone call. If you prefer not to receive phone calls, you may adjust your communication preferences by calling the number on the back of your ID card and following the prompts for 'medications delivered to your home'.

What should I do if Optum Home Delivery does not dispense my specific medication?

Contact Capital Rx by dialing the number on the back of your ID card. Follow the prompts for 'medications delivered to your home'. A customer care agent will provide support with finding access to your medications.

Flexible Payment Program

What are my payment options?

Optum Home Delivery has flexible payment options to help you pay for your long-term prescriptions that allow you to split your cost into three equal monthly payments.

How does the flexible payment option work?

Each time you order with Optum Home Delivery, choose the flexible payment option at checkout so you can make 3 monthly payments. You will receive your whole 3-month medication order after your first payment. Optum Home Delivery will let you know before they automatically charge your second and third payments to the card on file. You need to be registered and have an online account to be able to select this option at checkout. Log into the Capital Rx member portal at <https://app.cap-rx.com>. Click on 'Home Delivery' at the bottom of the 'My Rx Dashboard' to access Optum Home Delivery.

Automatic Refill Program

What is the automatic refill program?

The auto-refill program is a service where prescriptions are automatically refilled and delivered to you without needing to request a refill each time. Log in to the Capital Rx member portal to see and enroll all eligible prescriptions. Then, Optum Home Delivery will send your refills when it is time. You will receive reminders before an order is shipped. The pharmacy will bill the preferred payment method saved in your profile. You can adjust what prescriptions are enrolled and the preferred payment method used at any time online or by calling the pharmacy.

How do I enroll medications in the automatic refill program?

You can choose to enroll eligible medications for automatic refill when you set up your member profile with the Capital Rx member portal or by calling Optum Pharmacy. All eligible prescriptions must be enrolled individually. You can view or make changes to enrolled medications by logging into the Capital Rx member portal or by calling the pharmacy.

Please note: Your medications must be filled once before they are eligible to be enrolled in the program. The auto refill program is not available through Optum Specialty.

What happens when my prescriptions expires or runs out or refills?

When your prescription expires or runs out of refills, you can call Optum Home Delivery and request outreach be made to your healthcare provider. Once your healthcare provider sends Optum Home Delivery a new prescription, you must enroll the new prescription into the auto-refill program. You can enroll medications into the auto-refill program by logging into the Capital Rx member portal or by calling the pharmacy.

Will I receive automated outreach from Optum Home Delivery if I enroll in the auto-refill program?

If you enroll medications into the auto-refill program, you will receive notifications for the following updates:

- 14-day advance notice
- 5-day advance notice
- Order processing
- Order held – action required
- Order shipped
- Order delivered

Outreach is sent through email or phone call. The type of communication you receive is based on your profile settings. Profile settings can be managed by calling the number on the back of your ID card and following the prompts for 'medications delivered to your home'.

Shipping Information

Who does Optum Home Delivery use for delivery service?

Most orders ship USPS and cold orders ship USPS next day. Controlled medications ship USPS with an adult (18 years or older) signature. UPS is also used in certain instances around 2% of the time.

How long does it take to receive a new prescription?

Prescriptions are usually sent via U.S. First Class Mail and will arrive within 7 business days. Some medications require special handling and are delivered more quickly. For medications that do not require special handling, you can request expedited shipping for an additional fee:

- **New prescriptions:** If your health care provider calls in the prescription directly and prior authorization or other information is not required, you can expect to receive your order within 5 business days from the time of receipt.
- **Controlled substances:** Optum Home Delivery ships all controlled substances USPS Priority with an adult (18 years or older) signature required.
- **Hazardous or regulated items:** Some prescription medications, including aerosol inhalers, cannot ship by air because they could interfere with flight safety. These orders must ship via ground delivery in the 48 contiguous states and cannot be shipped to Alaska, Hawaii, or destinations outside the U.S..
- **Special prescription deliveries:** If your order contains refrigerated medications, Optum Home Delivery will ship them overnight. These orders will be packaged with a cold gel pack and can be shipped to all addresses except APO/FPOs and PO Boxes. This is to guarantee medications remain at the proper temperature. There is no additional cost for expedited delivery services.

How much does shipping cost?

Various shipping policies and exceptions may also apply to your order, depending on the items ordered. Standard delivery (5-7 business days) is free of charge. Overnight delivery is \$20. Delivery methods and rates are subject to change. Due to federal regulations, Optum Home Delivery can ship standard medications to addresses within the U.S. and some U.S. territories. Some medications are not eligible for home delivery.

Order Tracking

Can I track my order online?

You can manage your prescription in the Capital Rx member portal. Please log in to track orders, set up text, select flexible payment options, or sign up for automatic refills and more.

Additional Support

Who can provide customer support assistance with my pharmacy benefit?

Capital Rx is always happy to help! We are available 24 hours a day, 7 days a week to provide support with your pharmacy questions. Please call the number located on your ID card to reach your dedicated Customer Care team.

1. Optum Home Delivery provides this service at no additional cost. Standard message and data rates apply.
2. You will need a credit card on file for automatic refills if you owe a copay. Optum Home Delivery can accept credit card or check payments for all other orders. If your medication is already enrolled in the auto refill program, you do not need to re-enroll.
